Building a Tradition

This is the seventh year for the Rocky Mountain Basketball Camp and I am anxiously waiting for the first day to begin. This camp will keep you busy with positive instruction of the fundamentals and the fun of playing basketball.

The objectives of the camp are to improve the fundamental skills of basketball. With our incredible coaching staff we are able to accommodate all levels of players from brand new to those hoping for a college scholarship.

It is the intent of this camp to teach kids how to have fun and work hard at playing basketball. We will also emphasize good character, citizenship and being a good student.

I hope to see you this June.

Sincerely,

Dane Roy
